## TEXT BOOK LAW

WHAT SUPERINTENDENT OAKERSON SAYS ABOUT IT.

## TO BE VOTED ON HERE

At the April School Election—Any School District Can Adopt Free Text Books for Children.

The voters of the Maryville school district will vote at the coming school election on free text books for school children, and the following is by County Superintendent Oakerson, giving a portion of the law, with comments on how the Maryville district or any school district may adopt free text books:

Section 1. The qualified voters of any school district in the state, at any annual or special school meeting, fifteen days notice having been given as required by section 10844, vote to authorize the board of directors or board of education of such district to purchase from the incidental fund and furnish free all the text books for all the pupils in the public schools of said district.

Section 2. Whenever the board of directors of any school district in this state certifies to the county court that they are furnishing text books free of charge to all the pupils in at least the first four grades in the public schools of the district, it shall be the duty of the county court to apportion annually to each such school district from the county foreign insurance tax moneys received from the state treasurer in accordance with section 7102.

The full text of the free text book law may be found on pages 134 and 135 of the Missouri school law.

Free text books may be adopted at an annual or special school meeting. Fifteen days notice must be given.

A district adopting free text books will receive its proportionate share of the foreign insurance tax with which to purchase books. This tax now amounts to 33 cents per pupil for each pupil enumerated in the district. The school districts do not now receive any part of this tax.

In order to get the foreign insurance the school board must furnish free books to at least four grades the first year, and to all of the grades by the end of three years. In a district with an enumeration of 36 pupils the enrollment will be about 32, this would be an average of 4 pupils to the grade. To furnish all of the books for the first four grades, counting 4 pupils to the grade, will cost \$9.41. The amount of money received by a district with 36 pupils will be about \$11.88. It would cost much more to purchase the books for the other four grades.

## AN ATHLETIC FIELD.

The Harmony Church to Have the Use of Two Acres for Games of All Kinds.

Preston Seafers of this city, who owns land adjoining the Harmony church, east of Maryville, has donated two acres to the church to be used by the young people of the church in various athletic games. The ground will be skinned off and a base ball diamond arranged. Basket ball will also be played there and many other games.

## Teaching in Los Angeles.

Miss Amy Shaff, who visited in Maryville last summer with Maryville relatives, the families of G. B. and O. L. Holmes and Mrs. Will A. Burris, following a European trip of several months, has been elected to a position in the schools of South Los Angeles, Cal., and commenced work the beginning of this year. Miss Shaff taught in the high school of Hannibal, Mo., last year. She is making her home with an uncle, M. Shaff, and his wife, of Los Angeles.

## John Moore Ill.

John L. Moore, who has been ill of pneumonia for the past five weeks at his home on South Main street, was thought to be some better Monday morning. Mr. Moore was taken with an attack of grip and bronchitis two weeks before pneumonia set in.

## Moving to Miller Cottage.

Mr. and Mrs. E. D. Holmes will occupy the W. A. Miller cottage on West Thompson street while their new residence is being built at Thompson and Market streets.

Mrs. J. J. Pyles went to Fawcett, Mo., Saturday evening to visit over Sunday with Mrs. T. W. Kirkman.

Miss Rose Collins of the Hopkins schools was shopping in Maryville Saturday.

## J. R. BRINK SELLS OUT.

J. H. McCaffrey and Richard Swords Are the New Owners, Mr. McCaffrey Being in Charge.

The interest of J. R. Brink in the Brink & Co. grocery store was sold last week to J. H. McCaffrey and Richard Swords, possession being taken Monday. The new firm will be known as McCaffrey & Swords, and will continue in business at the same place of business, on West Third street. Mr. McCaffrey will have charge of the store as manager.

Mr. McCaffrey, or "Pat," is a well known young man, having started in the grocery business as clerk for Brink & Holmes thirteen years ago. He was employed in that store for ten years, and three years ago, with Mr. Brink, opened a new grocery store on West Third street. "Pat" is 25 years old, and his many friends wish him the best of success in this business.

Mr. Swords is a traveling salesman for the Ridenour-Baker Grocery company of Kansas City, and has been making his headquarters in Maryville for the past three years. He will still keep on the road for that house.

Mr. Brink will be superintendent of maintenance and construction for the Normal, having accepted that position a few weeks ago.

## CIRCUIT COURT WEDNESDAY.

An Adjourned Term Will Be Held on That Day to Take Up Cases and a Few Motions.

An adjourned term of circuit court will be held Wednesday with Judge Ellison on the bench. It is probable that several criminal cases will come up. Frank Sheldon, charged with stealing chickens, will be arraigned on that day. Oscar Salles and Ed Anderson, on gaming charges, are also to appear in court then.

Several motions are to be taken up by the court. One is the motion for an appeal to the supreme court of Pearl Borchers vs. John Hoshor.

## TO SELL COURT HOUSE FENCE.

County Court Will Sell It to the Highest Bidder Wednesday, March 4.

The old iron fence around the court house yard will be sold at auction on Wednesday, March 4, at 2 o'clock in the afternoon at the front door of the court house to the highest bidder for cash, the court reserving the right to reject any or all bids. With the taking down of the old iron fence and the building of four cement sidewalks from the four corners of the yard, the appearance of the court house yard will be greatly improved.

## DEFEATED BY BENTON HIGH.

The Normal Team Lost Game to St. Joseph Team at That City Saturday Night.

The Normal team was defeated by the Benton high school team in that city on Saturday night by a score of 33 to 19. The defeat was partly due to the referee and the poor team work of the local boys. Their basket ball court was small and, by the way it was arranged the boys missed the basket about forty times.

## Business Trip to Iowa.

Mrs. G. A. VanSteenbergh and her sister, Mrs. J. L. Armstrong, of Oskaloosa, Ia., who came here a few weeks ago for an indefinite stay, went to Oskaloosa Monday to look after Mrs. Armstrong's business affairs. They were accompanied by Harold VanSteenbergh. Mrs. Armstrong's husband died some time ago and it is probable she will spend the greater part of her time in Maryville with her sister.

## Real Estate Deals.

Miss Georgette V. Yeager sold to M. E. Ford 120 acres of land near Wilcox. Consideration \$11,400.

Mrs. Ida Gray and her husband, Guy Gray, sold to C. C. Carr 40 acres of land at \$100 an acre. Mr. Carr had previously bought the 40 acres that joins it, all of which is a part of the Wash Hoshor land. These sales were made through Holmes & Wolfert.

## Their Niece Improving.

Mrs. Robert Houston of Hopkins was in Maryville Saturday, returning home from Burlington Junction, where she had been with her niece, Miss Mary Yaple, who has been very ill of pneumonia. Miss Houston had been over to see his niece the first of the week. Miss Mary is much better and the nurse was dismissed Sunday.

## Moving to New Farm.

Jesse Linville of Graham was a Maryville business visitor Saturday. He is moving from the farm he has been living on, four miles northeast of Graham, to the farm five and a half miles northeast of Graham, purchased by him and his father, A. C. Linville, some time ago.

## THE WORST STORM

SEVERE WEATHER CONDITIONS IN THIS SECTION.

## HIGH WIND WITH COLD

Telephone Wires Down, Trains Late and No School at Normal—Snow Is Badly Drifted in Places.

One of the worst snow storms of this part of the country—nearly as bad as the big snow storm of two years ago—was experienced in this section Sunday night and today. On account of the high shifting winds the snow drifted in places, making it impossible for teams or any travel on the roads in the country. In Maryville the snow was badly drifted.

The storm started Sunday morning with sleet, and along toward evening snow commenced to fall, keeping it up all during the night Sunday and this morning. The storm was accompanied by a strong wind.

The telephone companies' wires out of Maryville are practically all down as a result of the storm. The Hanamo company has no long distance lines in working order except the line to Hopkins. The four lines to St. Joseph are down and no communication with that city can be had over the Hanamo. Manager Harry Todd has a force of two gangs out fixing the wires out of Maryville, but the St. Joseph lines will not be ready for use until Tuesday. The Farmers Telephone company also experienced great trouble with their out-of-town lines, practically all of them being down.

The Wabash and Burlington railroads were also having considerable trouble with running their trains on schedule time. All of the trains were late this morning, Wabash passenger No. 1, due here at 6 o'clock a. m., arrived at 3:30 o'clock this afternoon. The train was delayed by the storm at Mexico. The eastbound passenger No. 12 this morning on the Wabash was only fifteen minutes late. The Wabash trains are being dispatched from Stanberry instead of Moberly, as the wires are down between Stanberry and Moberly. The reports are that the storm is much worse than it is here.

The Burlington trains are arriving late, the noon passenger train being a fifty minutes behind. The wire service on this line was not much affected by the storm.

No school was held at the Normal Monday on account of the storm, the snow being so badly drifted in places that it was impossible for the students to get to the building. School was held at the high school with only a small attendance.

Sunday evening, many of the churches dismissed their evening services on account of the weather. No evening services were held at the First M. E. church, the Presbyterian church and the Buchanan Street Methodist church. Services were held at the First Baptist church and also the First Christian church.

The government thermometer went down to 6 above zero at 7 o'clock this morning.

## DIED AT HOSPITAL.

George Kimmel of Clyde Passed Away Sunday Evening—Was an Old Resident of Jefferson Township.

George Kimmel of Clyde died Sunday evening at 7:45 at St. Francis hospital of a complication of diseases. He was at the hospital awhile several weeks ago and had to return for treatment last week. He was 68 years old. His wife died a few months ago.

The body was taken to Clyde Monday morning. The funeral arrangements have not been completed, as the arrival of a son, Joseph Kimmel, who lives in Montana, is expected. A daughter, Sister Hildegard, of Oklahoma City, is expected Monday night.

Gottlieb Maier is improving from his illness and will probably be able to sit up in a few days. His son, Joseph Maier of near Hopkins, visited with him Saturday.

## ANNIVERSARY DAY

MR. AND MRS. H. T. WRAY MARRIED FIFTY YEARS.

## ALWAYS LIVED HERE

The Celebration Will Take Place Wednesday at the Wray Home in Pickering—Ten Children.

Mr. and Mrs. Henry T. Wray of Pickering, whose long married life has been spent in Nodaway county, will celebrate their golden wedding anniversary Wednesday, February 25. All of the children, seven sons and three daughters, are expected to be present excepting one, Charles H. Wray of Richdale, Alberta, Canada, who recently visited them. The celebration will take place at their home, unless the storm continues and interferes with the day's festivals.

Mr. Wray, a native of Gallia county, Ohio, came to Missouri in the early eighties, when 11 years old. He served in the Company K, Eleventh Missouri regiment, during the civil war. In 1864 he married Miss Maria A. Partridge, a daughter of J. R. Partridge, one of the pioneers of Nodaway county. After their marriage Mr. and Mrs. Wray settled on a farm nine miles northeast of Maryville, where they lived nearly forty years. A few years ago they moved into Maryville, later moving to their present home in South Pickering.

Mr. and Mrs. Wray are the parents of seven sons and three daughters. Another son, Frank W. Wray, then 19, was accidentally killed in 1898. The living children are:

Theodore K. Wray, Maryville, A. A. Wray, Fredonia, Kas.; Will W. and J. Carl Wray, Guilford; George E. Wray, Gentry, piano tuner; Byron L. Wray, Maryville, rural route mail carrier; Charles H. Wray, Alberta, Canada; Mrs. Cyrus Parker, Maryville; Mrs. John E. Morin, Parnell; Mrs. Will Berkey, Pickering.

## BAPTISM SERVICE TONIGHT.

At the First Baptist Church—Interest Continues Good in Meeting and Good Services Sunday.

The extreme change in the weather has not affected the interest in the revival at the First Baptist church. A baptismal service will take the place of the usual song service Monday evening. Thirty-five stand approved for baptism, and it may be that all cannot be ready for that ordinance tonight on account of the storm. But it is expected that the majority of that number will be ready. After the baptism Dr. Hale will preach as usual.

At the close of the Saturday evening service seven professed conversion, and at the close of Sunday night's service three made profession of faith in Christ.

A large crowd was present Sunday morning to hear Dr. Hale on "Shall We Know One Another in Heaven." This was a touching service. Nothing was said or done by the preacher for the purpose of stirring emotion. It was a sermon straight from God's word, full of thrilling assurance that we will be known in heaven as we are known here; and it was that thing, that assurance that all long to have, for there is never a congregation of people gathered to hear the subject discussed, that there is not personal interest on the part of each as to the future life because of some loved one gone.

The afternoon service for men was much better attended than was expected. The storm was gathering force with each minute, it seemed, but fully 150 men gathered to hear Dr. Hale on the subject of "Religion in Practical Affairs." He gave statistics to show the result of religion in communities as against non-religious communities. The sermon in the evening was a sermon of gratitude to God for the unspeakable gift He has made to His children, and stirred every one to responsiveness to its truths.

The meetings will continue throughout the week, each evening at 7:30.

## SUES IOWAN FOR \$20,000.

Stanberry Girl in St. Louis Says There is No Reasonable Ground for Her Arrest.

The St. Louis Republic had the following in regard to Miss Jones of Stanberry, who is in that city: Miss Grayce Maudian Jones, held at the city hospital on suspicion of being a fugitive from justice, filed suit in the St. Louis circuit court yesterday against Emil Leffert, a Council Bluffs, Ia., jeweler, for \$20,000 damages, charging he caused her arrest.

She avers that on February 17 he caused her to be arrested by detectives employed by him and St. Louis police officers and confined in a ward of the city hospital for the detention of criminals.

Her arrest was without warrant or reasonable ground of suspicion on the part of the defendant, and those who made the arrest, it is stated. She was sick in bed at the time, suffering from tuberculosis of the spine, it is asserted. The papers were served on Leffert by Deputy Sheriff Henry Ringkamp at the office of Pinkerton's national detective agency.

A warrant was issued yesterday against Miss Jones by Assistant Circuit Attorney Baer, charging her with being a fugitive from justice. The warrant was issued on the strength of an indictment returned on Leffert's complaint by a grand jury at Council Bluffs, charging Miss Jones with obtaining goods under false pretenses.

Leffert has told the police she took jewelry valued at about \$900 from him. Her trunks were searched at police headquarters. A brooch and a necklace Leffert is seeking were not found.

Emil Leffert of Council Bluffs, Ia., a jeweler, yesterday confronted at the city hospital Miss Maudian Jones, the young woman of the \$10,000 wardrobe, who is charged with having swindled him out of \$1,200 in jewels.

As Leffert entered the "solitary," Miss Jones broke down and wept. The jeweler walked to the side of her bed and talked softly to her, assuring her he regretted her arrest had been necessary.

The young woman's sobs continued. Leffert bit his lips. Tears welled in the eyes of a nurse in the room. Finally the ward physician declared the interview would have to be halted until all had gained their composure.

Miss Jones then pleaded with Leffert to withdraw the charge in a warrant possessed by the sheriff at Council Bluffs, Ia. Leffert gave no definite answer.

Leffert declared last night he wanted justice done, but was inclined to temper justice with mercy.

"I want to be human," he explained. "If the young woman is sick and is likely to be for several months, it would be cruel to have her removed to Iowa."

"However, if her condition is not serious I shall have the prosecution continued."

Miss Jones' illness has been diagnosed as tuberculosis of the spine. She has been suffering from it more than a year, and intends to be removed to the Deaconess hospital for treatment if she can obtain a release.

Her mother, Mrs. L. W. Jones, wife of a Stanberry, Mo., Methodist minister, was told yesterday of the charge against her daughter.

"I do not believe my daughter guilty of any offense, and when it is all sifted out the public will find she is innocent," Mrs. Jones told a Republic correspondent.

R. P. Duncan, a Stanberry attorney, has been engaged by the mother to come to St. Louis and assist in fighting against her extradition, if such action is necessary.

## Called to Oklahoma.

Ivy Tarpley and Mrs. W. D. McDonald, living west of Maryville, left Saturday evening for Cyril, Okla., to attend the funeral of Allie Tarpley, the 14-year-old daughter of Mr. and Mrs. A. A. Tarpley, formerly of this county. They were met in St. Joseph by Miss Mattie Tarpley of Skidmore, who accompanied them. The little girl is survived by her parents and two younger sisters, Sarah Ellen and Roxie Tarpley. Before returning home Mrs. McDonald will visit her brother, A. B. Strader of near Lehigh, Okla.

## TOOK HIS OWN LIFE?

FRANK MONTANYE DIED AT PICKERING SATURDAY NIGHT.

## SOME SAY AN ACCIDENT

Young Man Claimed Before His Death His Gun Was Accidentally Discharged—Funeral Tuesday.

As a result of the accidental discharge of his gun, Frank Kenneth Montanye, 16 years old, died Saturday night at 11:30 o'clock at the home of his grandparents, Mr. and Mrs. Solomon Clark, in Pickering.

The accident happened at 8:30 o'clock that evening, and the young boy told the story of the accident to his grandparents before he died. He said that he took the shotgun from the house to shoot an owl in the back yard, and that he slipped, the gun being accidentally discharged. The bullet pierced his right side and penetrated one lung, death resulting a few hours later. After the accident the young boy managed to reach the kitchen door and, knocking several times, was heard and found there by Mrs. Clark.

Frank Montanye was the son of Mrs. John Montanye of Kansas City. He has been staying in Pickering for the past year, going to school. At the recent revival meeting in that town he joined the M. E. church. He is survived by his mother and three sisters of Kansas City; a brother, Walter Montanye, of North Dakota. Mrs. E. J. Williams of this city is his aunt.

Funeral services will be held Tuesday afternoon at the Methodist church in Pickering, conducted by the pastor, Rev. Stillman, assisted by Rev. Killion. The body will be placed in the vault at Miriam cemetery in this city, and burial will take place in Oak Hill cemetery by the body of the young man's father, John Montanye, who died over two years ago as a result of an accident in Kansas City. He was struck by a freight engine.

The young man had been down-town in Pickering Saturday evening and seemed to be in the best of spirits. After getting a shave at the barber shop, he returned to the home of his grandparents about 8 o'clock. There was some talk that the young man took his life, but this is denied by those who know the details of the accident.

Frank Montanye was a good young man. He was a member of the Sunday school class of ten boys and fourteen girls that is taught by Mrs. C. R. Harman. The belief that it was the boy's intention to commit suicide is harbored by very few, and no one who knew him well believes he thought of taking his life.

## DAY OBSERVED WITH SERVICE.

D. A. R., Woman's Relief Corps and G. A. R. Post Attended Church at First M. E.

A good crowd was present to hear the religious service at the First M. E. Church Sunday morning in observance of Washington's birthday. This was the first service of the kind held in Maryville, and was brought about by the Maryville chapter of the Daughters of the American Revolution. It is the intention of the Daughters to make this an annual event, for the purpose of doing their part in keeping the fires of patriotism burning.

The church had never been so beautiful as on this occasion. One hundred flags had been used in decorating, beside the many yards of red, white and blue bunting. The printed programs contained the picture of Washington and the insignia of the D. A. R.

Forty members of the D. A. R. chapter were in attendance and the G. A. R. post and Woman's Relief Corps had splendid representations of their orders, although the weather was completely against their being present.

The address by Rev. Gilbert S. Cox on "George Washington, American," was beautiful with patriotic eloquence.

## Has Purchased Property.

Otho L. Robey has purchased the property of A. W. Frazee, at the corner of Eleventh and Walnut streets. The property consists of two lots and a residence, and the consideration was \$1,800. Mr. Robey and his family will move to their new home about March 1.

Mr. and Mrs. Arthur Baysinger of Pickering returned home Saturday from a several days' visit with her parents, Mr. and Mrs. C. E. White.

# INDIGESTION, GAS OR SICK, SOUR STOMACH

Time It!—"Pape's Diapepsin" Makes Your Upset, Bloated Stomach Feel Fine in Five Minutes.

"Really does" put bad stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that—just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back.

It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or at night. It's the quickest, surest and most harmless stomach doctor in the world.—Advertisement.

## FRAIL, SICKLY CHILD.

Restored to Health by Vinol—A Letter to Mothers.

Anxious mothers often wonder why their children are so pale, thin and nervous and have so little appetite. For the benefit of such mothers in this vicinity we publish the following:

Mrs. M. L. Cassady of Thomasville, Ga., says: "My little daughter was anaemic, delicate and nervous, she had no appetite and seemed listless. We could not seem to find anything that would help her until we were advised to give her Vinol. Inside of two weeks after taking it she showed a marked improvement, both in appetite, vim and looks. I continued giving it to her and words fail to express my gratitude for what Vinol has done for her."

The child's recovery was due to the combined action of the medicinal elements extracted from cods' livers—combined with the blood making and strength creating properties of tonic iron contained in Vinol.

Vinol will build up and strengthen delicate children, old people, and the weak, run-down and debilitated. We return the money in every case where it fails. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

The boys of the high school basketball team were promised a box at the theater providing they won the victory in the game which was played with the Bedford team Friday night. As is known they were the victors, and the promise was fulfilled Saturday night when the two front boxes at the Empire theater were occupied by them.

The boxes were decorated with the high school colors, red and white, and the boys appeared to enjoy their honor very much. The players added to their honor by appearing in a specialty wearing their high school colors and singing a song in honor of the triumph, this was much appreciated and received hearty applause.

Those who occupied the seats of honor were Professors Clyde Busby and H. B. Polson of the faculty, and Paul Willson, John Murray, Homer Scott, Roy David, Jesse Miller and Jesse Strader of the basketball squad.

Miss Bess Nicholas returned Saturday from the wholesale houses in St. Joseph. She will resume her position as a milliner at Circleville, Kan.

## There's a Reason For Aches and Pains

Often some unsuspected habit, such as coffee drinking, is the root of the trouble.

The average coffee drinker who suffers from sleeplessness, headache, indigestion, nervousness or heart trouble usually says, "Coffee doesn't hurt me," until some day Nature hauls him up with a jerk.

It's poor business to trade health and a clear brain for a few cups of coffee.

The pure food-drink

# POSTUM

in place of coffee, has put many a man and woman on the road to Wellville.

Postum is made of prime wheat and a small portion of molasses. It has a delicious Java-like flavor, but none of the drugs, "caffeine" and "tannin" which make coffee a health destroyer.

If your own judgment leads to a trial of Postum, for, say 10 days, and you begin to sleep soundly, digest food better, and your nerves get steady, these signs of returning health will show

## "There's a Reason" for POSTUM

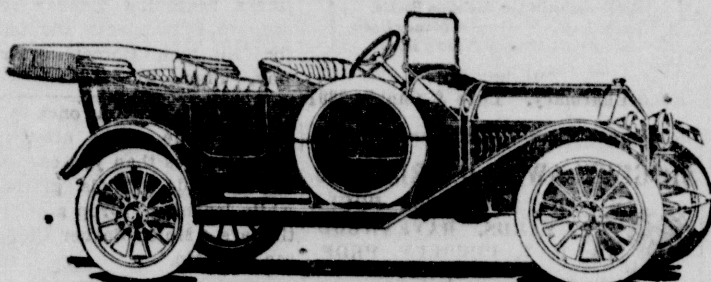

Postum now comes in two forms.

**Regular Postum**—must be well boiled. 15c and 25c packages.

**Instant Postum**—a soluble powder. A teaspoonful, stirred in a cup of hot water, makes a delicious beverage instantly. 30c and 50c tins.

The cost per cup of both kinds is about the same.

## TEXT BOOK LAW

WHAT SUPERINTENDENT OAKERSON SAYS ABOUT IT.

## TO BE VOTED ON HERE

At the April School Election—Any School District Can Adopt Free Text Books for Children.

The voters of the Maryville school district will vote at the coming school election on free text books for school children, and the following is by County Superintendent Oakerson, giving a portion of the law, with comments on how the Maryville district or any school district may adopt free text books:

Section 1. The qualified voters of any school district in the state, at any annual or special school meeting, fifteen days notice having been given as required by section 10844, vote to authorize the board of directors or board of education of such district to purchase from the incidental fund and furnish free all the text books for all the pupils in the public schools of said district.

Section 2. Whenever the board of directors of any school district in this state certifies to the county court that they are furnishing text books free of charge to all the pupils in at least the first four grades in the public schools of the district, it shall be the duty of the county court to apportion annually to each such school district from the county foreign insurance tax moneys received from the state treasurer in accordance with section 7102.

The full text of the free text book law may be found on pages 134 and 135 of the Missouri school law.

Free text books may be adopted at an annual or special school meeting. Fifteen days notice must be given.

A district adopting free text books will receive its proportionate share of the foreign insurance tax with which to purchase books. This tax now amounts to 33 cents per pupil for each pupil enumerated in the district. The school districts do not now receive any part of this tax.

In order to get the foreign insurance the school board must furnish free books to at least four grades the first year, and to all of the grades by the end of three years. In a district with an enumeration of 36 pupils the enrollment will be about 32, this would be an average of 4 pupils to the grade. To furnish all of the books for the first four grades, counting 4 pupils to the grade, will cost \$9.41. The amount of money received by a district with 36 pupils will be about \$11.88. It would cost much more to purchase the books for the other four grades.

## J. R. BRINK SELLS OUT.

J. H. McCaffrey and Richard Swords Are the New Owners, Mr. McCaffrey Being in Charge.

The interest of J. R. Brink in the Brink & Co. grocery store was sold last week to J. H. McCaffrey and Richard Swords, possession being taken Monday. The new firm will be known as McCaffrey & Swords, and will continue in business at the same place of business, on West Third street. Mr. McCaffrey will have charge of the store as manager.

Mr. McCaffrey, or "Pat," is a well known young man, having started in the grocery business as clerk for Brink & Holmes thirteen years ago. He was employed in that store for ten years, and three years ago, with Mr. Brink, opened a new grocery store on West Third street. "Pat" is 25 years old, and his many friends wish him the best of success in this business.

Mr. Swords is a traveling salesman for the Ridenour-Baker Grocery company of Kansas City, and has been making his headquarters in Maryville for the past three years. He will still keep on the road for that house.

Mr. Brink will be superintendent of maintenance and construction for the Normal, having accepted that position a few weeks ago.

## CIRCUIT COURT WEDNESDAY.

An Adjourned Term Will Be Held on That Day to Take Up Cases and a Few Motions.

Several motions are to be taken up by the court. One is the motion for an appeal to the supreme court of Pearl Borchers vs. John Hoshor.

## DEFEATED BY BENTON HIGH.

The Normal Team Lost Game to St. Joseph Team at That City Saturday Night.

The Normal team was defeated by the Benton high school team in that city on Saturday night by a score of 33 to 19. The defeat was partly due to the referee and the poor team work of the local boys. Their basket ball court was small and, by the way it was arranged the boys missed the basket about forty times.

## THE WORST STORM

SEVERE WEATHER CONDITIONS IN THIS SECTION.

## HIGH WIND WITH COLD

Telephone Wires Down, Trains Late and No School at Normal—Snow Is Badly Drifted in Places.

One of the worst snow storms of this part of the country—nearly as bad as the big snow storm of two years ago—was experienced in this section Sunday night and today. On account of the high shifting winds the snow drifted in places, making it impossible for teams or any travel on the roads in the country. In Maryville the snow was badly drifted.

The storm started Sunday morning with sleet, and along toward evening snow commenced to fall, keeping it up all during the night Sunday and this morning. The storm was accompanied by a strong wind.

The telephone companies' wires out of Maryville are practically all down as a result of the storm. The Hanamo company has no long distance lines in working order except the line to Hopkins. The four lines to St. Joseph are down and no communication with that city can be had over the Hanamo. Manager Harry Todd has a force of two gangs out fixing the wires out of Maryville, but the St. Joseph lines will not be ready for use until Tuesday. The Farmers Telephone company also experienced great trouble with their out-of-town lines, practically all of them being down.

The Wabash and Burlington railroads were also having considerable trouble with running their trains on schedule time. All of the trains were late this morning, Wabash passenger No. 1, due here at 6 o'clock a. m., arrived at 3:30 o'clock this afternoon. The train was delayed by the storm at Mexico. The eastbound passenger No. 12 this morning on the Wabash was only fifteen minutes late. The Wabash trains are being dispatched from Stanberry instead of Moberly, as the wires are down between Stanberry and Moberly. The reports are that the storm is much worse than it is here.

The Burlington trains are arriving late, the noon passenger train being fifty minutes behind. The wire service on this line was not much affected by the storm.

No school was held at the Normal Monday on account of the storm, the snow being so badly drifted in places that it was impossible for the students to get to the building. School was held at the high school with only a small attendance.

Sunday evening, many of the churches dismissed their evening services on account of the weather. No evening services were held at the First M. E. church, the Presbyterian church and the Buchanan Street Methodist church. Services were held at the First Baptist church and also the First Christian church.

The government thermometer went down to 6 above zero at 7 o'clock this morning.

## DIED AT HOSPITAL.

George Kimmel of Clyde Passed Away Sunday Evening—Was an Old Resident of Jefferson Township.

George Kimmel of Clyde died Sunday evening at 7:45 at St. Francis hospital of a complication of diseases. He was at the hospital awhile several weeks ago and had to return for treatment last week. He was 63 years old. His wife died a few months ago.

The body was taken to Clyde Monday morning. The funeral arrangements have not been completed, as the arrival of a son, Joseph Kimmel, who lives in Montana, is expected. A daughter, Sister Hildegard, of Oklahoma City, is expected Monday night.

Gottlieb Maier is improving from his illness and will probably be able to sit up in a few days. His son, Joseph Maier of near Hopkins, visited with him Saturday.

## ANNIVERSARY DAY

MR. AND MRS. H. T. WRAY MARKED FIFTY YEARS.

## ALWAYS LIVED HERE

The Celebration Will Take Place Wednesday at the Wray Home in Pickering—Ten Children.

Mr. and Mrs. Henry T. Wray of Pickering, whose long married life has been spent in Nodaway county, will celebrate their golden wedding anniversary Wednesday, February 25. All of the children, seven sons and three daughters, are expected to be present excepting one, Charles H. Wray of Richdale, Alberta, Canada, who recently visited them. The celebration will take place at their home, unless the storm continues and interferes with the day's festivals.

Mr. Wray, a native of Gallia county, Ohio, came to Missouri in the early eighties, when 11 years old. He served in the Company K, Eleventh Missouri regiment, during the civil war. In 1864 he married Miss Maria A. Partridge, a daughter of J. R. Partridge, one of the pioneers of Nodaway county. After their marriage Mr. and Mrs. Wray settled on a farm nine miles northeast of Maryville, where they lived nearly forty years. A few years ago they moved into Maryville, later moving to their present home in South Pickering.

Mr. and Mrs. Wray are the parents of seven sons and three daughters. Another son, Frank W. Wray, then 19, was accidentally killed in 1898. The living children are:

Theodore K. Wray, Maryville, A. A. Wray, Fredonia, Kas.; Will W. and J. Carl Wray, Guilford; George F. Wray, Gentry, piano tuner; Byron L. Wray, Maryville, rural route mail carrier; Charles H. Wray, Alberta, Canada; Mrs. Cyrus Parker, Maryville; Mrs. John E. Morin, Parnell; Mrs. Will Berkey, Pickering.

## BAPTISM SERVICE TONIGHT.

At the First Baptist Church—Interest Continues Good in Meeting and Good Services Sunday.

The extreme change in the weather has not affected the interest in the revival at the First Baptist church. A baptismal service will take the place of the usual song service Monday evening. Thirty-five stand approved for baptism, and it may be that all cannot be ready for that ordinance tonight on account of the storm. But it is expected that the majority of that number will be ready. After the baptism Dr. Hale will preach as usual.

At the close of the Saturday evening service seven professed conversion, and at the close of Sunday night's service three made profession of faith in Christ.

A large crowd was present Sunday morning to hear Dr. Hale on "Shall We Know One Another in Heaven." This was a touching service. Nothing was said or done by the preacher for the purpose of stirring emotion. It was a sermon straight from God's word, full of thrilling assurance that we will be known in heaven as we are known here; and it was that thing, that assurance that all long to have, for there is never a congregation of people gathered to hear the subject discussed, that there is not personal interest on the part of each as to the future life because of some loved one gone.

The afternoon service for men was much better attended than was expected. The storm was gathering force with each minute, it seemed, but fully 150 men gathered to hear Dr. Hale on the subject of "Religion in Practical Affairs." He gave statistics to show the result of religion in communities as against non-religious communities. The sermon in the evening was a sermon of gratitude to God for the unspeakable gift He has made to His children, and stirred every one to responsiveness to its truths.

The meetings will continue throughout the week, each evening at 7:30.

## SUES IOWAN FOR \$20,000.

Stanberry Girl in St. Louis Says There Is No Reasonable Ground for Her Arrest.

The St. Louis Republic had the following in regard to Miss Jones of Stanberry, who is in that city: Miss Grayce Maudian Jones, held at the city hospital on suspicion of being a fugitive from justice, filed suit in the St. Louis circuit court yesterday against Emil Leffert, a Council Bluffs, Ia., jeweler, for \$20,000 damages, charging he caused her arrest.

She avers that on February 17 he caused her to be arrested by detectives employed by him and St. Louis police officers and confined in a ward of the city hospital for the detention of criminals.

Her arrest was without warrant or reasonable ground of suspicion on the part of the defendant, and those who made the arrest, it is stated. She was sick in bed at the time, suffering from tuberculosis of the spine, it is asserted.

The papers were served on Leffert by Deputy Sheriff Henry Ringkamp at the office of Pinkerton's national detective agency.

A warrant was issued yesterday against Miss Jones by Assistant Circuit Attorney Baer, charging her with being a fugitive from justice. The warrant was issued on the strength of an indictment returned on Leffert's complaint by a grand jury at Council Bluffs, charging Miss Jones with obtaining goods under false pretenses.

Leffert has told the police she took jewelry valued at about \$900 from him. Her trunks were searched at police headquarters. A brooch and a necklace Leffert is seeking were not found.

Emil Leffert of Council Bluffs, Ia., a jeweler, yesterday confronted at the city hospital Miss Maudian Jones, the young woman of the \$10,000 wardrobe, who is charged with having swindled him out of \$1,200 in jewels.

As Leffert entered the "solitary," Miss Jones broke down and wept. The jeweler walked to the side of her bed and talked softly to her, assuring her he regretted her arrest had been necessary.

The young woman's sobs continued. Leffert bit his lips. Tears welled in the eyes of a nurse in the room. Finally the ward physician declared the interview would have to be halted until all had gained their composure.

Miss Jones then pleaded with Leffert to withdraw the charge in a warrant possessed by the sheriff at Council Bluffs, Ia. Leffert gave no definite answer.

Leffert declared last night he wanted justice done, but was inclined to temper justice with mercy.

"I want to be human," he explained. "If the young woman is sick and is likely to be for several months, it would be cruel to have her removed to Iowa."

"However, if her condition is not serious I shall have the prosecution continued."

Miss Jones' illness has been diagnosed as tuberculosis of the spine. She has been suffering from it more than a year, and intends to be removed to the Deaconess hospital for treatment if she can obtain a release.

Her mother, Mrs. L. W. Jones, wife of a Stanberry, Mo., Methodist minister, was told yesterday of the charge against her daughter.

"I do not believe my daughter guilty of any offense, and when it is all sifted out the public will find she is innocent," Mrs. Jones told a Republic correspondent.

R. P. Duncan, a Stanberry attorney, has been engaged by the mother to come to St. Louis and assist in fighting against her extradition, if such action is necessary.

## Called to Oklahoma.

Ivy Tarpley and Mrs. W. D. McDonald, living west of Maryville, left Saturday evening for Cyril, Okla., to attend the funeral of Allie Tarpley, the 14-year-old daughter of Mr. and Mrs. A. A. Tarpley, formerly of this county. They were met in St. Joseph by Miss Mattie Tarpley of Skidmore, who accompanied them. The little girl is survived by her parents and two younger sisters, Sarah Ellen and Roxy Tarpley. Before returning home Mrs. McDonald will visit her brother, A. B. Strader of near Lehigh, Okla.

## TOOK HIS OWN LIFE?

FRANK MONTANYE DIED AT PICKERING SATURDAY NIGHT.

## SOME SAY AN ACCIDENT

Young Man Claimed Before His Death His Gun Was Accidentally Discharged—Funeral Tuesday.

As a result of the accidental discharge of his gun, Frank Kenneth Montanye, 16 years old, died Saturday night at 11:30 o'clock at the home of his grandparents, Mr. and Mrs. Solomon Clark, in Pickering.

The accident happened at 8:30 o'clock that evening, and the young boy told the story of the accident to his grandparents before he died. He said that he took the shotgun from the house to shoot an owl in the back yard, and that he slipped, the gun being accidentally discharged. The bullet pierced his right side and penetrated one lung, death resulting a few hours later. After the accident the young boy managed to reach the kitchen door and, knocking several times, was heard and found there by Mrs. Clark.

Frank Montanye was the son of Mrs. John Montanye of Kansas City. He has been staying in Pickering for the past year, going to school. At the recent revival meeting in that town he joined the M. E. church. He is survived by his mother and three sisters of Kansas City; a brother, Walter Montanye, of North Dakota. Mrs. E. J. Williams of this city is his aunt.

Funeral services will be held Tuesday afternoon at the Methodist church in Pickering, conducted by the pastor, Rev. Stillman, assisted by Rev. Killian. The body will be placed in the vault at Miriam cemetery in this city, and burial will take place in Oak Hill cemetery by the body of the young man's father, John Montanye, who died over two years ago as a result of an accident in Kansas City. He was struck by a freight engine.

The young man had been down-town in Pickering Saturday evening and seemed to be in the best of spirits. After getting a shave at the barber shop, he returned to the home of his grandparents about 8 o'clock. There was some talk that the young man took his life, but this is denied by those who know the details of the accident.

Frank Montanye was a good young man. He was a member of the Sunday school class of ten boys and fourteen girls that is taught by Mrs. C. R. Harman. The belief that it was the boy's intention to commit suicide is harbored by very few, and no one who knew him well believes he thought of taking his life.

## DAY OBSERVED WITH SERVICE.

D. A. R. Woman's Relief Corps and G. A. R. Post Attended Church at First M. E.

A good crowd was present to hear the religious service at the First M. E. Church Sunday morning in observance of Washington's birthday. This was the first service of the kind held in Maryville, and was brought about by the Maryville chapter of the Daughters of the American Revolution. It is the intention of the Daughters to make this an annual event, for the purpose of doing their part in keeping the fires of patriotism burning.

The church had never been so beautiful as on this occasion. One hundred flags had been used in decorating, beside the many yards of red, white and blue bunting. The printed programs contained the picture of Washington and the insignia of the D. A. R.

Forty members of the D. A. R. chapter were in attendance and the G. A. R. post and Woman's Relief Corps had splendid representations of their officers, although the weather was completely against their being present.

The address by Rev. Gilbert S. Cox on "George Washington, American," was beautiful with patriotic eloquence.

## Has Purchased Property.

Otho L. Robey has purchased the property of A. W. Frazee, at the corner of Eleventh and Walnut streets. The property consists of two lots and a residence, and the consideration was \$1,800. Mr. Robey and his family will move to their new home about March 1.

Mr. and Mrs. Arthur Baysinger of Pickering returned home Saturday from a several days' visit with her parents, Mr. and Mrs. C. E. White.

# INDIGESTION, GAS OR SICK, SOUR STOMACH

Time It!—"Pape's Diapepsin" Makes  
Your Upset, Bloating Stomach Feel  
Fine in Five Minutes.

"Really does" put bad stomachs in order—"really does" overcome indigestion, dyspepsia, gas, heartburn and sourness in five minutes—that—just that—makes Pape's Diapepsin the largest selling stomach regulator in the world. If what you eat ferments into stubborn lumps, you belch gas and eructate sour, undigested food and acid; head is dizzy and aches; breath foul; tongue coated; your insides filled with bile and indigestible waste, remember the moment "Pape's Diapepsin" comes in contact with the stomach all such distress vanishes. It's truly astonishing—almost marvelous, and the joy is its harmlessness.

A large fifty-cent case of Pape's Diapepsin will give you a hundred dollars' worth of satisfaction or your druggist hands you your money back.

It's worth its weight in gold to men and women who can't get their stomachs regulated. It belongs in your home—should always be kept handy in case of a sick, sour, upset stomach during the day or at night. It's the quickest, surest and most harmless stomach doctor in the world.—Advertisement.

Mrs. T. J. Tobin of Burlington Junction visited in Maryville Saturday with her mother, Mrs. John Vaughn.

## FRAIL, SICKLY CHILD.

Restored to Health by Vinol—A Letter to Mothers.

Anxious mothers often wonder why their children are so pale, thin and nervous and have so little appetite. For the benefit of such mothers in this vicinity we publish the following:

Mrs. M. L. Cassidy of Thomasville, Ga., says: "My little daughter was anaemic, delicate and nervous, she had no appetite and seemed listless. We could not seem to find anything that would help her until we were advised to give her Vinol. Inside of two weeks after taking it she showed a marked improvement, both in appetite, vim and looks. I continued giving it to her and words fail to express my gratitude for what Vinol has done for her."

The child's recovery was due to the combined action of the medicinal elements extracted from cods' livers—combined with the blood making and strength creating properties of tonic iron contained in Vinol.

Vinol will build up and strengthen delicate children, old people, and the weak, run-down and debilitated. We return the money in every case where it fails. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

The boys of the high school basketball team were promised a box at the theater providing they won the victory in the game which was played with the Bedford team Friday night. As is known they were the victors, and the promise was fulfilled Saturday night when the two front boxes at the Empire theater were occupied by them.

The boxes were decorated with the high school colors, red and white, and the boys appeared to enjoy their honor very much. The players added to their honor by appearing in a specialty wearing their high school colors and singing a song in honor of the triumph, this was much appreciated and received hearty applause.

Those who occupied the seats of honor were Professors Clyde Busby and H. B. Polson of the faculty, and Paul Willson, John Murray, Homer Scott, Roy David, Jesse Miller and Jesse Strader of the basketball squad.

Miss Bess Nicholas returned Saturday from the wholesale houses in St. Joseph. She will resume her position as a milliner at Circleville, Kan.

## There's a Reason For Aches and Pains

Often some unsuspected habit, such as coffee drinking, is the root of the trouble.

The average coffee drinker who suffers from sleeplessness, headache, indigestion, nervousness or heart trouble usually says, "Coffee doesn't hurt me," until some day Nature hauls him up with a jerk.

It's poor business to trade health and a clear brain for a few cups of coffee.

The pure food-drink

# POSTUM

in place of coffee, has put many a man and woman on the road to Wellville.

Postum is made of prime wheat and a small portion of molasses. It has a delicious Java-like flavor, but none of the drugs, "caffeine" and "tannin" which make coffee a health destroyer.

If your own judgment leads to a trial of Postum, for, say 10 days, and you begin to sleep soundly, digest food better, and your nerves get steady, these signs of returning health will show

## "There's a Reason" for POSTUM

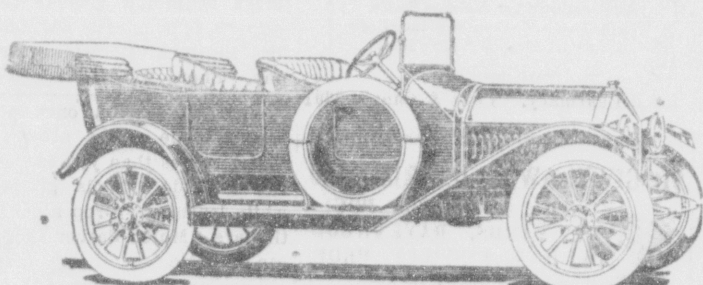

Postum now comes in two forms.

**Regular Postum**—must be well boiled. 15c and 25c packages.

**Instant Postum**—a soluble powder. A teaspoonful, stirred in a cup of hot water, makes a delicious beverage instantly. 30c and 50c tins.

The cost per cup of both kinds is about the same.

## CANADA.

If you have a desire to be independent and own your own farm, you can do so for less yearly payment than you are paying rent in Missouri.

If you wish to make a good investment, Canada holds a better opportunity open to you than you will find in any undeveloped country in the world today.

Our first excursion to see this wonderful country will be some time in April, and our rates as low as can be procured. We will show you land in Saskatchewan and Eastern Alberta, priced from \$12.00 to \$25.00 per acre, convenient to railroads and good markets. Land that will give wonderful returns for the amount invested, and the terms cannot fail to please you.

This is an opportunity that you cannot afford to miss as we will see the best parts of Canada.

Write us or come in and have a talk about this wonderful country of big returns, where a man with small capital can become independent in a few years.
